Social Security Number

The Social Security number is used as a means of identifying student records and to facilitate financial aid.

I plan to apply for admission to college or financial aid.

The Social Security Number is required to claim tax credits for higher education costs known as the American Opportunity Tax Credit in accordance with the Taxpayer Relief Act of 1997.

Federal law requires the California Community Colleges to provide specific information to the Internal Revenue Service (IRS) for the purpose of filing an information return (IRS Form 1098-T "Tuition Statement") for each student in attendance, with a few [exceptions](#).

The information required by the IRS includes the student's name, address, Social Security Number (SSN) or [Taxpayer Identification Number](#) (TIN/iTIN), and enrollment status, as well as the amount of tuition paid or billed, and scholarships received. (26 C.F.R. 1-60505-1(b)(2)(ii).)

Failure to provide a correct Social Security Number or TIN while claiming tax credits for specified education expenses **may result in a penalty levied against the student by the IRS in the amount of \$100, per year, until the missing or incorrect information is provided** (26 C.F.R. 1-60505-1(e)(4)).

In addition, California Education Code sections 68041 and 70901(b)(7) authorizes the California Community Colleges Chancellor's Office (CCCCO) to collect information you submit through the OpenCCC Online Student Account and CCCApply Online Application for Admission for the purposes of completing and submitting California College admission applications and financial aid on your behalf.

Further, information acquired by the CCCCCO is subject to the limitations set forth in the Information Practices Act of 1977 (Title 1.8 (commencing with Section 1798) of Part 4 of Division 3 of the Civil Code). Compliance with these laws is identified in the [Privacy Policy](#).

There is option at the bottom for students to check if they do not have a social security number. Meaning they are undocumented. Students who have social security **may not check** that option to move forward with application process because it may cause financial aid problems later on.

Please indicate the type of number:

Social Security Number Taxpayer Identification Number

By providing my Social Security Number (or Taxpayer Identification Number) below, or indicating that I do not have a Social Security Number or decline to provide one at this time, I confirm that I have read and understand the federal regulations provided above, and the state regulations provided in the [Privacy Policy](#).

Your Social Security Number must be accurate to ensure the integrity of your permanent record and to avoid potential penalties imposed by the IRS for providing an incorrect number.

Social Security Number or Taxpayer Identification Number

Repeat Social Security Number or Taxpayer Identification Number

Check this box if you **do not** have a Social Security Number or Taxpayer Identification Number, or decline to provide one at this time.
